

About IREM

The Institute of Real Estate Management is the source for education and professional recognition for managers of all types of income-producing properties—office buildings, retail properties, multi-family developments. Founded in 1933, IREM has over 90 Chapters nationally and 10 Chapters internationally. IREM is the only professional association dedicated to educating and certifying all real estate managers—site, property, and asset managers. IREM's mission is to educate, certify, and promote the professional competence of IREM members in order to meet the needs of those who utilize their services.

Chapter 92 was chartered in 1980 and will celebrate its 37th Anniversary in 2017. Chapter 92 is comprised of over 250 CPM® members, Candidates, ARM® members, ACoM members, Associate members, and Student and Academic members, as well as over 15 AMO® firms. Our members control managing and purchasing for commercial, residential, industrial, and retail properties in Maryland, Virginia and the District.

Industry Partners' Program Highlights

West-Central Maryland Chapter No. 92 implemented the Industry Partners program in 1991 (originally called Friends of IREM).

Chapter 92 offers a unique opportunity for service providers to deliver your message to a specific target market. The Industry Partners' program enables your business to be exposed to, and involved with, a very influential group of decision-makers in the property and asset management field. The Industry Partners' program is designed to foster professional relationships between our real estate members and a mix of locally represented, reputable service vendors. With the Industry Partners' program, our chapter can provide you with a multitude of benefits and opportunities, as listed on the next page.

The program provides the Industry Partners with the privileges of participation in Chapter 92 activities. Membership is by invitation only. Chapter 92 encourages its members to support their Industry Partners. **Chapter 92 offers a two-company limit per category and is on a first-come, first-served basis.**
